

2 October 1953

MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED] STATOTHR

STATOTHR

I interviewed [REDACTED] at [REDACTED] request. He is extremely pleasant and seems intelligent and capable. If we have an opening, I would be very interested in giving him an offer. He is also talking to the General Counsel of the Department of Defense and is hopeful of an offer there. He would want a GS-14.
